

# RUSSIAN RESTAURANT & VODKA LOUNGE

Russians do not consider their meal complete without vodka. It is never sipped: it should be swallowed in one gulp. The custom of drinking neat in cold countries was probably designed for this purpose for it not only thaws out those who traveled through the snow, but breaks the social ice.

## SIGNATURE MARTINIS 8.95

### DRY

#### BOND

All time classic:  
New Amsterdam vodka, dry or dirty
